- 4. Animal Control Reports** - Reports were mailed to committee members prior to the meeting. Director Jack Cooper was present. Commissioner Anderson discussed a proposal to enter into an interlocal agreement with BCAC and Shelbyville Animal Control which would basically be Bedford County Animal Control receiving half the budget of Shelbyville Animal Control and all of their vehicles and equipment. We would also ask for use of the building for one year. This is something Mayor Ray had been working on for a few years and wanted to see happen. It started when the city of Shelbyville approached BCAC because they needed them to run their calls due to the fact they would have both their officers out at the same time for several weeks and no one to work. They asked about an interlocal agreement for short term but it would benefit everyone if it were a long term agreement. (Anderson, Fox) unanimous to send to finance with a recommendation.
- 6. Sheriff/Jail/Workhouse Reports** - Reports were mailed to committee members prior to the meeting. Mary West said the work house saved the city and county a total of \$76,000.00
