

Request for Qualifications

Architectural Firms Elementary School and Other Government Projects

Bedford County, Tennessee, is accepting a Statement of Qualifications from Architectural firms interested in furnishing services required in the anticipated construction of a new elementary school and other county projects. The Statements will be used as a reference for Bedford County. Firms should have experience in school construction as well as other government projects.

Interested firms are asked to submit Standard Form 330 Architect-Engineer Qualifications along with a letter of interest by Wednesday, July 3, 2019, to the Bedford County Department of Finance, 200 Dover Street, Suite 102, Shelbyville, TN 37160.
